

THE ANGEL CANAL FESTIVAL 2023

Sunday 3rd September 11am-4pm

Since C&RT retired from organising the Angel festival, an active group of local organisations has set to work to save this much-loved local community festival. This informal group includes

Ward Councillors Martin Klute and Toby North
Angel Community Canalboat Trust
Islington Boat Club
The Canal Museum
The Friends of Graham St Park
St Pancras Cruising Club
Hanover Road School

C&RT are helping with expertise and funding and the various departments of Islington Council are doing all they can to smooth the path. The festival has always been a wonderful opportunity for local businesses and organisations to showcase their work and meet their customers!

You could hire a stall or take a catering pitch. Help with the provision of facilities or with funding. Sponsor some of the entertainment. Provide free activities or just get involved!

The event will take place in Graham St Park, Graham St and the towpath alongside City Rd Lock and on the water-space of City Road Basin with a regatta and boat trips.

This year's event remembers Beryl Windsor who ran the event for 21 years and gave so much of her time and energy to ensuring the continuation of this canal-based family day.
